

Community Food Resources

Updated Spring 2019

Contents

- I. Information about this resource
- II. Year round food access resources and programs

Overview

Information provided in this community food resource guide includes some details that are specific to the time of year and type of program. The purpose of this guide is to provide a list of resources across Orange County, NC that help address food access.

Each identified resource includes details like eligibility requirements, location and contact information. This guide was built from information the Orange County Food Council's Food Access Workgroup collected through partner organizations and community stakeholders. The resource guide is a living document and will be updated at least twice a year. Please contact us at ocfoodcouncil@gmail.com for questions or to provide feedback about the guide. We appreciate your input!
